

# **CAMDAN OHC**

**O<sub>2</sub> / He / CO**  
**Analyzer**

## Why Choose **CAMDAN**

### Ultra Fast, High Precision Analysis

- Immediate and stable readings of O<sub>2</sub>, He, and CO.
- Ideal for gas blending, Nitrox/Trimix preparation, safety checks, and professional operations

### Impact Resistant Explorer Case 2712

- Integrated into the rugged, waterproof Explorer Case 2712 (IP67).
- Dimensions: 336 × 300 × 148 mm
- Total system weight: ~1 kg
- Built for boats, expeditions, field missions, and technical dive operations.

### Long Life Battery

- Developed for extended autonomy during expeditions, offshore missions, and prolonged field use.

### Fully Equipped Kit

Includes carrying case, tubing, power supply, and certified sensors.  
Ready to deploy in seconds.

# CAMDAN OHC

O<sub>2</sub> / He / CO  
Analyzer

## Advanced Features

### Integrated CO Analysis

Complete air quality control in a single instrument: O<sub>2</sub> + He + CO.

### Blending Mode with EAD, END & MOD

- Automatic calculations for technical diving.
- Supports Nitrox, Trimix, and custom mixes.
- Perfect for fast, error free filling stations.

### Rebreather & Scooter Tools

#### Dedicated modules for:

- Oxygen set point verification
- DPV battery pack test

## Wall Mount Option - Ideal for Dive Centers

Use it:

- As a portable field unit, or
- Fixed to the wall in filling rooms, workshops, or quality control stations.

A single solution for dive centers, service technicians, research teams, and industrial operators.

# **CAMDAN OHC**

**O<sub>2</sub> / He / CO**  
**Analyzer**

## **Available in Two Versions**

### **SPORT / TEK**

For:

- Technical divers
- Explorers
- Cave & expedition teams
- Advanced recreational users

Includes full blending tools, EAD/END/MOD calculations, and rebreather utilities.

### **PROFESSIONAL**

For:

- Fire brigades
- Safety departments
- Law enforcement and special units
- Commercial diving operators
- Civil protection and rescue teams

Designed for reliability, operational durability, and strict safety workflows.

## **CAMDAN - Precision You Can Trust, Anywhere**

Fast. Rugged. Intelligent.

Whether you are blending air on a boat, analyzing gases in a dive center, or operating in the field, CAMDAN delivers unmatched reliability.
